

**Addition to the Auction Schedule
of Outright Purchases of Japanese Government Bonds**

The Bank of Japan will conduct an additional outright purchase of Japanese government bonds (JGBs) tomorrow (June 14) as follows.

	Residual maturity	Purchase size (100 million yen)	(Reference) Before revision
JGBs with coupons (excluding inflation- indexed bonds and floating-rate bonds)	More than 5 years and up to 10 years	5,000	—

Note: The purchase size of the auction listed above is approximate. The actual purchase size will be notified when conducting the corresponding outright purchase.

The Bank will make changes in the auction schedule and amounts of outright purchases of JGBs as needed, taking account of market conditions.
