(2) Blanks in the files downloaded from the BOJ Time-Series Data Search and "----" in the Quarterly Data of the BIS International Consolidated Banking Statistics in Japan denote that data are not available. Note that data for some countries/regions may not exist even within the period indicated in the table above.

(3) There are discontinuities in some data items ("Cayman Islands," "Luxembourg," etc.) from the previous quarter at end-March 2013.

(4) Claims vis-à-vis "International organizations" and "Non-residents, unallocated" are added from end-December 2014 (the latter is included in each of the four regions of "developing countries").

(5) Notes on changes in the classification of the regional breakdown are as follows.

* From the end-December 2001 data, claims on Guernsey are excluded from "Developed countries: Europe," and included in "Offshore centers."

* From the end-December 2001 data, claims on Jersey are excluded from "Developed countries: Europe," and included in "Offshore centers."

* From the end-December 2001 data, claims on Isle of Man are excluded from "Developed countries: Europe," and included in "Offshore centers."

* From the end-December 2002 data, claims on Liberia are excluded from "Offshore centers," and included in "Developing countries: Africa and Middle East."

* From the end-March 2008 data, claims on Slovenia are excluded from "Developing countries: Europe," and included in "Developed countries: Europe."

* From the end-March 2009 data, claims on Slovakia are excluded from "Developing countries: Europe," and included in "Developed countries: Europe."

* From the end-March 2011 data, claims on Estonia are excluded from "Developing countries: Europe," and included in "Developed countries: Europe."

* From the end-March 2014 data, claims on Latvia are excluded from "Developing countries: Europe," and included in "Developed countries: Europe."

* From the end-March 2015 data, claims on Lithuania are excluded from "Developing countries: Europe," and included in "Developed countries: Europe."
